

5 New 3DCV features to transform your CV

I am delighted to announce **5 new features**, summarised below, which have been designed to transform your CV / Resume-building and job hunting success.

1. 3DCV Business Dimensions

The 3DCV template has been upgraded to now include [general business dimensions](#) by default. This means that, irrespective of which line of business you work in, you can now use the 3DCV to build an outstanding CV, Resume and Online CV. Check out the new [Business Dimensions Video Tutorial](#) on the 3DCV welcome page.

2. 3DCV becomes truly International

This week we unveiled a new version of the 3DCV platform which includes **all major cities, countries and currencies** so that no matter where you live you can use the 3DCV tool to build your CV, Resume and Online Profile.

You can also **pick your 3DCV domain (choose from: co.uk | .EU | .US | .net)** for your online 3DCV and email forwarding address. Check out the 3DCV General Details page for more.

3. One-Time-Offer for New Members

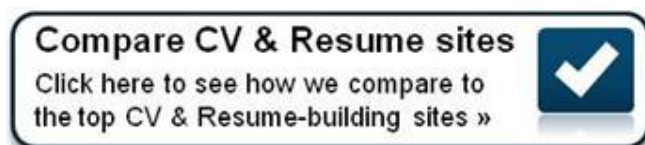

To help you stand out from the unprecedented level of competition, we have **discounted our Full Membership Package by 30%**. You can now take advantage of unlimited publishing, 3DCV custom dimensions, your own personalised email and web address and our unique 'GROW' Career Development Plan.

To get this offer, simply click the 'Verify your Email' link in your welcome letter. If you have any problems please contact: support@abintegro.com

4. Comparison to the Top 6 CV & Resume Sites

We have reviewed the top 6 CV and Resume-building sites to help you to understand how they compare against us and what you get for your money.

We encourage you to check out the other sites and believe that you'll find abintegro provides both the best service for you to build your

CV, Resume and Career and the best value for money. [Click here to see the Comparison.](#)

5. New Resume Template

From TONIGHT you can **export your profile as a professional 1-page resume** as well as a more detailed CV.

Check out the 'Home Page' and the 'access manager' in the member area for more details. Remember, the Resume, like the CV, is an editable MS Word document so feel free to change it so suit your exact job hunting needs!

Finally, don't forget to [tell your friends](#) about abintegro and get automatically entered into our prize draw to win [AMAZON vouchers](#).

Many thanks for joining abintegro and we wish you every success in building your career in the coming year!

Best Regards and Happy Holidays,

Tony
